WEB DESCRIPTION

Original slim bag with triple compartment and removable shoulder strap, designed to hold three different types of device: Microsoft Surface Pro 3, Microsoft Surface and smartphones. The design is effectively a double case sewn together so as to create three padded compartments: two of the same size, compatible with Surface Pro 3 and 10" Surface, and a central one compatible with 7" tablets and smartphones. On the outside of the bag is a folding organiser pocket with Tucano logo in the same, contrasting colour as the stitching and inner lining. This slim bag for Microsoft Surface Pro 3 features a tough, shiny fabric which enhances the bright, fashionable colours on the inside and outside of the bag. The inner compartment also provides the necessary protection for the Surface keyboard cover and stylus.
